I would like to start this week's update by saying a HUGE well done to our Year 6 pupils for their amazing efforts during the course of this week's SATs tests. The maturity and resilience they showed throughout the week was admirable and, as you will see from the item on Page 4, the pupils have already started to embrace some of the 'post-SATs' traditions.

In more good news, I am delighted to let parents can carers know that we have now received our final CSI (Catholic School's Inspection) report and are VERY pleased with the 'Outstanding' grade that we have been awarded. A separate letter has been sent with the report this afternoon and you are also able to read the report [here](#). Thank you to all staff, governors, parents and pupils who work tirelessly every day to make the school such a special place to *love, learn and achieve*.

This weekend we look forward to another great community event as children (and maybe the odd adult or two!) take to the school field in our annual 'May Mudder' event. With weather looking good, what better way could there be to spend a Saturday afternoon than getting muddy with your mates! Pay on the door tickets are available and the event starts at 1:30pm.

Enjoy a wonderful (if a little muddy) weekend everyone.

THE GOSPEL IN CHURCH Sunday 19th May 2024

In the evening, the disciples were gathered in a room. They had locked the doors because they were afraid of the people who had crucified Jesus. Jesus came and stood among them. "Peace be with you," he said to them. He showed them his hands and his side. Then the disciples were filled with joy when they saw the Lord. "Peace be with you," Jesus said to them again. "As the Father has sent me, so I now send you." When he had said this, he breathed on them. "Receive the Holy Spirit," he said to them. "If you forgive the sins of anyone, then they are forgiven. If you do not forgive them, they are not forgiven."

*Adapted from John 20:19-23
Pentecost Sunday, Year B*

Getting to know Jesus makes life joyful.

MOVING THROUGH MERTON

The "Moving through Merton" engagement is being hosted on the Commonplace platform and includes surveys and an interactive map, where you can provide feedback on any existing issues and areas for improvement. The engagement will run until 18 June and can be accessed via the link below.

How are you moving through Merton?

We are asking the community to tell us more about how they travel through Merton, the improvements they'd like to see to routes in the area, and the barriers to participation.

We are also working on an electric vehicle (EV) strategy for the borough, and want to know more about who uses EVs, how often, and how we can best support our community as we transition towards using electric vehicles.

Complete the surveys and interactive map by Tuesday 18 June!

Thanks, we'll let you know when news has been added.

Reception had a fantastic day today enjoying bringing their learning to life at Hever Castle. With moats, drawbridges and the modern day addition of a children's playground, great fun was had by all.

Thank you so much to all the adults who came along to help the children enjoy their day.

Yr6 were delighted to receive their rite of passage leavers hoodies earlier today.

Huge thanks to the parents who have organised this and brought such energy to the end of a long week for our Yr6 pupils.

Children in Yr1 have enjoyed watching their special visitors grow over the last two weeks. Today they said goodbye to them as they leave to start their new lives on the farm.
